TIRE REPAIR & REPLACEMENT

If the covered tire is damaged beyond repair, we'll provide you with a new tire, getting you back on the road swiftly and securely.

NATIONWIDE LIMITED TIRE PROTECTION PLAN SUMMARY

If possible, you should return to the selling location for tire repair or replacement service. If you are unable to return to the selling location, call the Program Administrator at 855-643-2886 for assistance in locating a repair facility.

TIRE REPLACEMENT

Tires not able to be safely repaired will be replaced with the same tire as originally equipped, or a comparable tire as stated on the original retail sales invoice. Coverage is based on the original tire's retail price. You will be responsible for any taxes, mounting, balancing, and any other miscellaneous fees. The damaged tire must be made available for inspection by the facility and/or the Program Administrator. All claims and any required documentation must be submitted to the Program Administrator within 60 days of the date of failure and/or service for reimbursement. This plan does not have a deductible.

FLAT TIRE CHANGE ASSISTANCE

Flat tire changing assistance is covered for 36 months from the plan purchase date and is reimbursement only (up to \$100). Flat tire changing assistance is strictly limited to the installation of your usable spare tire. If no spare tire is available, towing services are available.

CANCELLATION

You may cancel the Plan at any time by returning the Plan to the original selling location. If the Plan is cancelled within thirty (30) days of the Plan purchase date, and no claim has been made under the Plan, the Plan is void and you shall receive a refund of the full price paid for the Plan. If cancelled after the first thirty (30) days from the Plan purchase date, and no claim has been made, you will be refunded a pro-rated amount of the purchase price based on the months remaining under the Plan.
